Subject: Visit to Westlake Monday July 29

DeAndre, Dan and Matt,

The current plan is for Dan, Matt and I to travel to St. Louis next Monday to meet Rep. Shimkus and Davis for a tour at the Westlake landfill at 1 pm. In spite of LaTonya's best efforts to date, we don't have a definitive understanding of their expectations for the visit. We had originally planned to leave here in time for lunch before meeting at the Republic building, conduct the tour and return to the Regional Office. Late yesterday afternoon, RA Brooks added a post tour briefing for him and Mathy Stanilaus to our agenda. That will add at least an hour or hour and a half to our departure time. Dan and Matt, please make arrangements for mini-van. The Congressional party is supposed to be 4 in number so we can probably all fit in a seven passenger van. We can coordinate logistic later this week.

What is the address for the Republic building we used when ORD visited last week?

Thanks.

Ron
